Don't forget to squeeze in some time to do absolutely nothing – other than lie on the luscious white beach and soak in the incredible beauty of Angsana Velavaru.

101 activities, no lagoon like it.

OUR RECOMMENDATIONS

The following activities are our choice picks from our 101 menu, tried and tested by satisfied guests:

For adults

- Sit-down hydrofoil – The newest and most exciting of water sport options, our sit-down hydrofoil lets you ride above the waves on this hydrofoil wing. Come and experience the thrill.
- Big game fishing – The deeper waters here are teeming with big fish, providing you with the challenge of reeling in a prized catch. Test your strength and endurance against local big-game fish like marlin to see if you have what it takes to earn a grand photo finish.

For kids and families

- Bubble maker – A bubble maker diving lesson is a great way to introduce children of 8 or 9 years old to scuba diving in a shallow lagoon. Every child will be provided with child-friendly diving gear for their first underwater experience under the close supervision of our certified instructors.
- Looking for dolphins – Journey on a catamaran or speed boat and get up close and personal with these intelligent inhabitants of the natural aquarium. It is not unusual to catch sight of a family of frolicking dolphins and other gentle marine mammals.
- Conservation programme – The experts at our marine conservation lab dedicate their careers to marine life preservation. Learn from their wealth of experience and discover how they look after the native seabirds, turtles and coral gardens.

For couples

- Maagaa castaway dinner – Dinner on nearby Maagaa Island is the epitome of private luxury. With a lavish spread of Continental, Asian or local cuisine, even the most discerning palette will be pleased. Service is attentive yet discreet, so nothing gets in the way of your tête-à-tête with that special someone.
- Romance spa package for newlyweds – Indulge in a pampering massage at the award-winning Angsana Spa at Velavaru. Designed to celebrate love and sensuality, this package for two is ideal for couples looking to relax and unwind in the skilled hands of the therapists.

Here is our list of events and activities to help make your holiday at Angsana Velavaru unique and unforgettable.

Please note:

- Some activities are provided free of charge, while others have a fee and are subjected to tax. Please approach our friendly staff for more information and prices.
- Activities may be cancelled without prior notice due to adverse weather conditions or insufficient participants.
- While every effort will be made to ensure the safety of our guests, the resort will not be held liable for any injuries resulting from the activities. This will be at the sole risk and responsibility of each participant.
- Advance bookings are recommended as availability of equipment, instructors and other resources are limited.

NON-MOTORISED SPORTS

Canoe/Kayak

Our sturdy canoes and kayaks let you roll at your own pace with the crystal clear waters of the South Nilandhe Atoll. Pick a two-seater to turn this experience into a fun couple sport.

Windsurf

The breeze across the sea is perfect for puffing up the sails and riding the waves. Controlling the sailboard requires skill and technique, but there is no need to worry as lessons for all levels are available. You will literally learn the ropes.

Windsurf – Refresher Course (1 hour)

Experienced or intermediate-level windsurfers who would still like some professional guidance will benefit from our refresher course aimed at refining existing skills.

Windsurf – Resort Course (3 hours)

Learn the basics of windsurfing; from raising the mast to balancing on the board, our patient instructors are eager to impart their knowledge to you. All equipment will be provided.

Windsurf – Basic Course (6 hours)

This course includes the Resort Course and provides further training on technical aspects of windsurf equipment and control by our instructors. All equipment will be provided.

Catamaran sailing

Take off from the beach with double-hulled catamaran with sails designed for both stability and speed, so sailing is a breeze.

Catamaran sailing – Refresher course (1 hour)

Raring to go further and faster with the catamaran? Our instructors are on hand to dish out professional advice to those who have prior experience and want to relive the joys of sailing.

Sailing – Resort course (3 hours)

Feel at home on land and at sea! Initiate yourself into the exciting world of sailing as our instructors share the fundamentals with you.

Sailing – Basic course (8 hours)

This course includes the resort course and provides further training on technical aspects of the catamaran and sailing equipment by our instructors. All equipment will be provided.

Local island excursion – Catamaran (with a guide)

Hitch a ride on our catamaran with our experienced staff and catch a glimpse of the local community from nearby villages. Don't forget to stop by the craft shops and take home some hand-made souvenirs.

Looking for Dolphins – Catamaran

Go on a catamaran journey and come up close and personal with the dolphins and other inhabitants of the natural aquarium. It is not unusual to catch sight of a family of frolicking dolphins and other gentle marine mammals.

Half-day excursion including snorkelling – Catamaran

Immerse yourself in Maldivian culture and explore one of the local islands. Visit places close to the locals' hearts and experience the amazing hospitality of the community. After the excursion, stop by a good snorkelling spot and round off your day with a fascinating underwater experience.

Hydro bike / Paddle bike / Sea cycle

A hydro bike or paddle bike is a perfect hybrid between a boat and a bicycle and provides hours of fun and fitness for all ages.

Glass bottom canoe

Our glass bottom canoe provides paddlers with the fun of canoeing with the added advantage of a clear underwater view of marine life through a piece of glass installed below the waterline.

Kite training on the beach

Step into the world of kite surfing by learning the basics of kite control under the guidance of our skilled trainers.

MOTORISED SPORTS

Water ski

Skim the surface of the cobalt blue water and enjoy the thrill of water skiing with the help of an experienced motorboat driver towing the skis along. Flips and jumps are optional!

Water ski – Beginner lesson

If you are new to the sport, we will set you up with all the guidance, safety tips and equipment you will need to get you started. Just bring sun block, swimwear and a smile!

Wakeboard

It is said that wakeboarding is water skiing, snow boarding and surfing all rolled into one. The relatively calm water is ideal for wakeboarding manoeuvres of all levels.

Wakeboard - Beginner lesson

New to wakeboarding? Our instructors are on hand to dish out pointers for a fun and safe wakeboard session, ensuring that you will be up and on the water in no time.

Kneeboard

Like wakeboarding and water skiing, kneeboarders hang on to a tow-rope, but the foot strap is secured over the thighs. The advantage of kneeboarding is that it is often easier as you have a sense of being closer to the water.

Mono ski

Hold on to the tow-rope, put one foot in front of the other on the mono ski and slice through the waves at speed. There is definitely nothing monotonous about our mono ski.

Banana ride

Gather the family and line our inflatable banana boat. Both adults and kids will squeal in delight as our motorboat tows the banana across the lagoon.

Fun tubes/ Float rides

Float into bliss with our lightweight watercrafts made for endless hours of buoyant fun. Best of all, there is no need for strenuous kicking or rowing – just sit back, relax and enjoy as the speedboat tows you around the island.

Local island excursion – Speed boat

Take the speedboat out on an excursion and catch a glimpse of the local community from nearby villages. Don't forget to stop by the craft shops and take home some handmade souvenirs.

Looking for dolphins – Speed boat

Enjoy a ride on a speedboat and get up close and personal with the dolphins or other inhabitants of the natural aquarium. If you are lucky, you will get to say hello to a family of frolicking dolphins.

Sandbank – Speedboat

Speed away on a boat and enjoy the natural landforms made up of fine sand, silt and pebbles. Feel the tickle of sand between your toes and take in the beauty of your surroundings.

Private boat ride

Customise your own journey on our motorboat – you can make it rustic and adventurous with minimum fuss, or romantic and luxurious with fine wine and mouth-watering canapés.

Barefoot water ski

Outgrown the excitement of water skiing? Then kick off those skis and do it barefoot instead. You can go much faster, bringing the excitement up a few notches.

Sit-down hydrofoil

The newest and most exciting of water sport options, our sit-down hydrofoil lets you ride above the waves on this hydrofoil wing. Come and experience the thrill.

FISHING

Night fishing

Fancy catching red snapper, grouper, jack fish, rainbow runners and sea bass? Listen to the sound of waves, enjoy the evening sea breeze and have a leisurely fishing experience as the sun sets beneath the ocean. Our experienced crew is on hand to provide useful tips to help you snare a prized catch for your dinner.

Big game fishing

The deep water here is teeming with big fish and can provide you with the challenge of snapping up a prized catch. On a specialised boat at designated spots, test your strength and endurance against local big-game fish like marlin to see if you have what it takes to earn a grand photo opportunity.

Casting

The Maldives is home to an abundant species of fish that can stir the interest of any fisherman. Bring along your bait, pick a favourite spot, cast your line and enjoy the serenity of the calm ocean. The bounty of the Indian Ocean will surely leave you with a memorable fishing excursion.

Morning fishing

The waters here are blessed as a fertile fishing ground and the small hours can be some of the most thrilling times for catching certain types of fish. Set off for a great fishing adventure filled with lasting memories.

Trawling

Drop your fishing lines, cruise slowly around the island and wait for the fish to bite while you admire the pristine beaches and clear blue waters. The crew will be on hand to provide guidance and help make this fishing trip a fruitful experience.

DIVING

Bubble maker

A bubble maker is a great way to introduce children of 8 or 9 years old to scuba diving in our shallow lagoon. Each child will be provided with child-friendly diving gear for their first underwater experience, under the close supervision of our certified instructors.

Discover scuba / Introduction dive

You will be introduced to the equipment needed to scuba dive and how to use them safely. An introduction dive in the lagoon is included to make this a memorable first step.

Discover Scuba diving

Learn about a whole new world under the serene waters and explore the rich and diverse marine life around these beautiful atolls through your first guided dive with instructor from a boat.

Scuba diver course

Taught by experienced instructors, these practical lessons will kick-start you on your journey to becoming a scuba diver. You will learn how to operate the scuba equipment and acquire the essential skills for a safe and enjoyable dive.

Open water diver referral/Upgrade to open water diver

For experienced divers, you can continue your journey to the world of open water diving through this upgrade programme. This is a practical course that will equip you with the knowledge and skills you need to take it to the next level.

Open water diver course

Completion of this practical course awards you with the Open Water Diver Certificate. It covers five dives and gives you the basic knowledge and skills that are essential for you to dive safely in open waters. This will allow you to fully experience the underwater adventure at the beginner's level.

Adventure diver course

Get more out of your diving experience through new types of scuba diving adventures. This is a fun way to explore other activities under the water while taking the opportunity to hone your diving skills and gain greater confidence.

Advanced open water diver course

This course will help you to become even more comfortable in the water and is a fantastic opportunity to clock more dives in a structured programme under the supervision of experienced instructors. It will build on what you have learnt during open water diving and introduce new ways to have fun with scuba diving.

Rescue diver course

Learn more about preventing and coping with problems underwater. This course is about rising up to challenges and overcoming them.

Dive master course

Ready to take it to the next level? Working closely with an instructor, this programme expands your knowledge and hones your skills to a professional level. This training allows you to develop your leadership qualities and certifies you to supervise dive activities together with other qualified instructors.

Underwater naturalist specialty course

Enjoying the underwater world? Learn to see even more during your next dive. This course trains you to look out for relationships amongst marine life. You will not just learn what they are, but also how they interact with each other.

Peak performance buoyancy specialty course

Redefine your diving experience by polishing your buoyancy skills and learn how to move effortlessly through the water. By mastering this basic skill, you can interact gently with your underwater surroundings and have minimum impact when you dive.

Nitrox specialty course

This course gives you the knowledge to make use of enriched air to stay in the water longer and minimise decompression dive time. This gives you more time to explore deep-dive sites and enjoy the aquatic life around you. This is a popular speciality course and a handy skill to have.

Two tank dive

Two is better than one. Maximise your time and double the excitement and fun. See more and experience marine diversity with two dives, separated by a short interval. There is no better way to explore the pristine dive sites around Angsana Velavaru.

Morning single dive

Experience the beautiful morning sunlight dancing on the clear blue waters. A morning dive is the perfect way to start a day of adventure and exploration.

Afternoon single dive

With the afternoon sun piercing the clear blue waters, you get to experience a clearly illuminated marine environment. Get closer to the coral and aquatic plants and see how some creatures enjoy the shade.

Private dive

For seasoned divers who wish to dive in private, this provides the best opportunity for you to plan and explore the dive sites exactly the way you like it.

Private courses

Enjoy private lessons that allow you to learn at your own pace. With our private instructors, you can ensure that you get the most out of each dive. This is perfect for picking up the skills quickly in a personalised environment.

Early morning dive

Be the first to put on your wet suit and feel the cool morning waves. See how the morning light shines through the water and lights up the mysterious world beneath the surface. It is an experience worth waking up early for.

Night dive

Bring waterproof torches and dive into the dark depths of the sea. The underwater nightlife is brimming with activity as nocturnal sea creatures come to life. Watch out for glowing organisms when you turn off the lights.

Sunset dive

As the sun drops into the ocean, the underwater world is streaked by orange rays. Enjoy schools of fishes weaving in and out of coral like a silent orchestra guided by an invisible conductor.

Full day dive (2-3 dives)

Pack your day with diving trips. Enjoy up to three dives in different locations and immerse yourself in a truly amazing underwater world.

Whale shark trip

South Ari Atoll is one of the few places in the world to see these amazing gentle marine giants. The highlight of your Maldives vacation will undoubtedly be seeing these creatures firsthand in their natural habitat.

Underwater scooter

Experience the thrill of breezing through the water with an underwater scooter. Cover greater distances and see more marine life while expanding less energy.

Underwater digital photography course

This is a wonderful way to capture your underwater adventure and share it with friends and family back home. The course teaches you how to get great underwater shots quickly with your digital point-and-shoot or DSLR camera.

ECO SCHOOL/CORPORATE SOCIAL RESPONSIBILITY

Snorkelling – Beginner lesson

Snorkelling is an effortless way to explore the adjoining reefs and come into close contact with marine life. Our instructors will introduce you to the equipment and snorkelling techniques, enabling you to discover the infinite adventures possible around Turtle Island.

Night snorkelling

Within our lagoon, there is a huge variety of coral, fish, manta rays and moray eels. Many of these are nocturnal. Night snorkelling is an excellent way to spot them in their natural active states and to learn more about the ecosystem. You could also see our underwater coral gardens, wedding garden and snorkelling trail in the lagoon!

Coral planting and snorkelling

Coral creates biodiversity and has a positive impact on marine life. Our marine conservation lab encourages coral planting as a way to replenish damaged reefs, and your family too can be part of this meaningful movement through our coral planting and snorkelling trial.

Coral garden tours and snorkelling

If your schedule does not match the coral planting sessions, you can still have a close-up study about coral and their positive impact on the marine ecosystem through our coral garden tours. Watch how fish and crabs thrive within the coral and how replanted coral survive.

Snorkelling safari

The beautiful and abundant marine wildlife here means snorkelling anywhere close to the island is already a feast for the eyes. Deepen the experience by embarking on a snorkelling safari where a guide will show you the best places to explore and the significant role each wet animal and plant you come across plays in the marine ecosystem.

Conservation programme

The experts at our marine conservation lab dedicate their careers to marine life preservation. Learn from their wealth of experience and discover how they look after the native seabirds, turtles and coral gardens.

Paper recycling programme

Angsana Velavaru believes in recycling to reduce unnecessary waste that can pollute our environment. An important component of this belief is our paper recycling programme where we collect and treat used paper so each sheet gets a new lease of life. Come and join us to save the trees.

Marine talk

The marine lab has an intense conservation programme to create awareness and replant coral reefs as well as to protect some endangered species of marine life. The experts at the lab are always eager to share their progress and give lessons to ensure that your next generation can continue to enjoy the natural beauty of Maldives.

LAGOON GAMES

Water polo

Get sweaty with team water sports! Water polo is popular with anyone who enjoys swimming, treading water and passing balls. Get ready for some friendly competition!

Aqua volleyball

Aqua volleyball ups the fun ante by taking the sport into the water; the usual serves and passes are now cooler and wetter.

Frisbee

Don't belittle the humble plastic disc. Frisbee can provide hours of recreation for a number of people at once.

Waboba

A new take on the Frisbee, Waboba is short for water bouncing ball and is played in waist high water. The ball's secret is its composition; it uses different materials that allow it to bounce off water.

LAGOON BEACH ACTIVITIES

Beach football

Our repertoire of ball games starts with football (soccer). Whether you prefer to be the midfielder or striker, the goal of having fun is easily achieved in this team-based sport.

Cricket

The island has patches of land that serve as a beautiful natural pitch for those who love a bat and ball. Be prepared to be bowled over by the intense fun.

Pétanque

Previously known as a gentle ball game popular with older folks in Europe, pétanque has grown to become a challenging summer sport for all ages and can be played on gravel, grass or sand.

Beach volleyball

This Olympic team sport can be taken seriously or played just for fun among friends and family. All players are guaranteed a workout high on fun and low on boredom.

PLANE WATCHING

Scenic photo flights

Soar above shallow lagoons, pristine and uninhabited islands and fishing villages on a Trans Maldivian Airways guided tour. Watch schools of dolphins, mantas and sting rays in crystal clear waters.

SWIMMING

Swimming – Beginner lesson

There is nothing more enjoyable than spending a beautiful summer day in the pool or sea. With the help of our instructors, non-swimmers will learn to stay afloat and swim with the fish in no time!

STARGAZING

Stargazing on the beach

Learn more about the celestial secrets overhead when the night falls. The stars, the moon and planets can easily be observed in the night sky with a telescope or binoculars and each one tells a story.

Bonfire under the stars

Huddle around a campfire and enjoy a hot drink while the storyteller in the group spins a gripping tale until the fire turns to embers. Marshmallows are optional.

INDOOR FUN

All Weather Activities

On lazy days when you feel like staying in, the great indoors beckon with a host of entertaining distractions. Enjoy boisterous rounds of Mahjong in the pavilion, complete with drinks and snacks. Test your skills and accuracy with a game of billiards, table tennis or darts. Pit your wits against your opponent with parlour games of backgammon, dominos, checkers and chess.

KIDS' CLUB

Fun Olympic games

Let your kids show off their athletic prowess and talents at our Olympic-themed contests where the competition is challenging yet friendly, so no kid will feel left out.

Easter egg hunt

Join in the fun on a Easter egg hunt to help Easter Bunny find its hidden stash of eggs. Then give those egg shells a good paint job before tucking into some yummy chocolates. The eggs will be kept in various degrees of concealment to cater to kids of all ages. It's going to be 'egg-citing'!

Handicraft

Whether it is finger painting or oil on a canvas, we have enough art materials and creative art concepts to keep children educated and entertained all at once. Unleash the little Picasso within today!

SPA

Romance package for newlyweds

Soothe your senses with Asian-inspired spa therapies at the award-winning Angsana Spa. Celebrate love and sensuality with rejuvenating couple spa sessions specially created to melt away tension and revive your body and mind

Top to toe spa

Dedicated to inner wellness and sumptuous relaxation, Angsana Spa Velavaru will transport you to another world. This comprehensive spa session promises to pamper your body with a combination of Angsana Spa's signature therapies.

Spa on the rooftop

Allow the intuitive touch of our spa therapists to pamper you at one of the 12 rooftop spa pavilions. Feel the wind in your hair, hear the sound of the ocean and inhale the aroma from our range of essential oils such as rosemary, lavender, jasmine, and frangipani.

Spa massage lesson

Now you can learn the art of touch from our professional spa therapists by enrolling for a massage lesson where you will be taught a series of wellness lessons for pampering yourself and your loved ones.

Beauty spa for bride

Look pristinely beautiful, restored and revitalised as you get ready for the big day. Let our spa therapists take care of your wedding spa ritual while you relax and indulge in your wedding bliss.

Siam massage on the beach

Be treated like royalty with the Siam massage treatment inspired by Thai hospitality and massage techniques. This session is conducted on the beach – secluded enough to give you privacy yet open enough to feel in sync with nature. Unwind to a delicate stretching of your body to improve mobility and flexibility, followed by Thai massage techniques of palming and thumbing, without the use of oil, on your meridian lines to relieve tension.

Yoga at your doorstep

Yoga is the union of mind, body and spirit. Practise this ancient Asian therapy in private guided by an experienced yoga master without leaving the comfort of your villa. That's what we call breathing easy.

Yoga class

Join a group yoga class and salute the morning sun with Hatha yoga poses and breathing techniques that are bound to kick-start your energy level and improve your flexibility. Feel the difference.

WEDDING

Sunset beach wedding

Say 'I do' or renew your wedding vows in a romantic setting on the Angsana Velavaru beach against the amber glow of the setting sun. Weddings need to be booked two weeks in advance to allow us to arrange the best wedding beach party that you could ever dream of.

Castaway island beach wedding

The ceremony starts with the planting of a "love" tree (coconut tree) to commemorate the special occasion on Velavaru. The couple will then be escorted by the wedding party and traditional Maldivian drummers on a decorated boat to a nearby secluded island where the vow exchange will take place. Then it's time to pop the champagne and enjoy an exclusive Beach BBQ dinner on the white sandy beach while gazing at the stars.

Underwater wedding

For something completely different, plunge into the marine world and enter our underwater wedding garden where schools of fish in the depths of Velavaru lagoon will bear witness to your matrimony. An underwater photographer will be on hand to capture the special moment of ring and vow exchange. Then look forward to a romantic sunset cruise and private BBQ dinner.

Wedding on Dhoni

Tie your nuptial knot on a Dhoni – a traditional sail boat used in the earlier days by Maldivian fishermen. Set sail with an intimate group of family and friends on this vessel that provides a beautiful platform to exchange your vows while overlooking the breathtaking Indian Ocean.

Full moon wedding

The full moon not only casts a soft romantic glow on your wedding grounds, it is also believed by some to be an auspicious time to tie the knot because each full moon bridges the contact between different entities. Have a full moon wedding for a lifetime of happiness and prosperity together.

DINING – SPECIALS

Romantic beach BBQ dinner

Have a romantic candlelight BBQ dinner for two on the beach, accompanied by the smoky and slightly charred aroma of flamed-grilled seafood and steaks paired with a chilled glass of wine.

Jaafaiy

Jaafaiy refers to a traditional Maldivian dinner served at home. Ours is served on the beach so you can literally have a taste of the ocean while you tuck into Maldivian favourites like coconut-marinated seafood and fresh fruits.

Maagaa castaway dinner

Dinner on Maagaa Island is the epitome of private luxury. We will set up a dinner table featuring a lavish spread of Continental, Asian or local cuisine of your choice that will please the most discerning palette. Service is attentive yet discreet, so nothing gets in the way of your tête-à-tête with that special someone.

Maagaa picnic lunch

Love the idea of a private island retreat? A picnic lunch is the perfect solution. Our picnic lunch boxes are filled to the brim with light yet luscious finger foods including gourmet sandwiches and teacakes fit for the queen!

Full moon beach BBQ

Moonlight has a spellbinding effect and what better way to seize the moment than to bring out the BBQ and grill a selection of succulent seafood, steaks and much more? Toast the full moon with a selection of wines or an ice-cold beer.

In-villa champagne breakfast

Wake up to a lovely morning with a breakfast spread set up in the comfort of your villa. Buttered toast, crispy bacon and eggs done any way you want before a glass of bubbly to finish off.

Maagaa castaway breakfast

If breakfast in bed or brunch in-villa is too tame for you, be adventurous and begin your morning with breakfast on the castaway island of Maagaa. The breakfast is going hearty and we promise that you will not cast any leftovers away.

Sunrise picnic breakfast on the beach

Don't miss the magical moment when the sun takes its first peek over the horizon. Savour the scenery and enhance the ambience with a delicious and nutritious breakfast on a picnic mat laid out on the beach.

Romantic sundowner on the beach

Wind down the day with your special someone over a heady aperitif that matches the colour of your mood. Sip on a cocktail, relax and enjoy the stunning view of the sun setting over the Indian Ocean

Night fishing BBQ

Haul your fresh catch from the sea straight to the flame with our night fishing BBQ activity. If you have no luck attracting any seafood, we can provide you with some caught by professional fishermen. It tastes just as good.

DINING – KUREDHI

Bodu Beru Night

Bodu Beru is the most popular form of music and dance in the Maldives, enjoyed by the young and the old. Let our musicians wake up the rhythm in your body and shimmy any shyness away.

Jam session

Calling all aspiring singers and musicians to jam alongside our staff and add some more jazz to our eclectic selection of musical genres. Serenade your loved ones. Music isn't called the language of love for nothing.

Cocktail class

Learn how to mix and serve different alcohols, syrups and juices into delicious cocktails at home just like a barista with a cocktail shaker. Don't forget the fancy glasses and pretty garnishing.

Kuredhi Bar deck

Sunbathing at its most glamorous; soak up the sun and unwind with a tropical drink or cocktail at the water's edge. Every drink is freshly concocted by our bartender using the best and freshest ingredients.

DINING – FUNA

Cooking class

Our signature Funa restaurant lets diners eat alfresco while suspended over water and has now extended its service to include cooking classes. Learn authentic Maldivian cuisine or the chef's special recipe of the day and wow your family and friends with your culinary skills when you return home.

Sunset champagne cocktail

Purists like their glass of bubbly lightly chilled and mixed with nothing else until they sip our champagne cocktails. Complete the sensual experience by savouring your drink while watching the sun go through the colour spectrum of subtle yellows and ambers.

EVENTS

Christmas

Wake up to a beautiful tropical Christmas morning this season. Enjoy a tasty Christmas meal of classical yuletide fare to the tune of Christmas carols before stealing a kiss under the mistletoe.

New Year

Welcome the start of a new year in style. Take part in the exciting New Year countdown party or mark the milestone with celebratory meals prepared by our professional chefs. We promise you a menu out of the ordinary.

Chinese New Year

The start of the lunar New Year is also known to the Chinese as the spring festival, a time of bountiful harvest and hope, best reflected by the colour red. Typically, a reunion dinner is held on the eve to celebrate the occasion. As per tradition, besides infusing the resort with touches of festive red, we have a selection of Chinese New Year feasts in store for you.

Earth Day

Earth Day on 22 April aims to inspire awareness and appreciation for our planet's natural beauty and vulnerability. Angsana Velavaru, an advocate of sustainable tourism, observes this day each year with a series of workshops and special activities to instil this meaningful value in guests and our staff.

World Environment Day

To reinforce the message of conservation, we observe World Environment Day on 5 June, a day designated by the United Nations to create awareness of the environment and enhance political attention and public action. Angsana Velavaru understands the important role each of us plays in sustainable tourism and encourages all guests to participate.

Water sports competition

Veterans and amateurs at water sports can take part in competitions to vie for the coveted title of water polo, aqua volley ball or waboba champion.

Reef and lagoon clean-up

In line with the focus on sustainable tourism, Angsana Velavaru has dedicated days each year where we spruce up our house reef and lagoon to get rid of impurities that can prevent our natural environment from flourishing. We invite you to join us and learn more about marine conservation in the process.
