

ERiyADU ISLAND RESORT

WINE MENU

At Eriyadu Resort & Spa we have created a Wine List we believe will give you a great opportunity to explore several different wine regions in various countries, and take you on a journey through the vineyards of these amazing wine growing lands.

We have made the choice of not displaying wines vintages, as we do regular vintage change over on our wines to ensure our wine list offers the best possible vintage available.

Please ask your waiter to confirm the vintage of the wine ordered should you wish to have this information.

"Accept what life offers you and try to drink from every cup. All wines should be tasted; some should only be sipped, but with others, drink the whole bottle."
