

SUB OCEANIC

NOKU MALDIVES RESORT

ABOUT US

Sub Oceanic is a locally owned company that is specialized in the management and operation of diving and watersports establishments in the Maldives. It is our mission to provide thrilling and unforgettable diving and watersports experiences whilst prioritizing safety with a team of dedicated experts.

EXPLORE WATERS ABOVE AND BELOW

RIDE THE WAVES

Clear turquoise waters surround sandbars. Sail away and indulge in a vast array of all-inclusive watersports. With our top-of-the-line equipment, professional staff and unparalleled tropical locations, you choose to fly across the water – propelled by wind, motor or muscle power. We offer something for everyone: Explorations that satisfy your need for speed, fun sports for the young at heart and slower paced recreational endeavors that relax and revive.

Explore the big blue!

DIVE DEEPER

The Maldives with pristine beaches and azure waters are a world-renowned diving destination. Colorful reefs, the biggest manta ray population in the world and tiny brilliant sea life make this island nation unique and inviting. Encounter the magnificent underwater life of the Maldives, whether you are a novice or seasoned diver. Scuba gear and snorkeling equipment are readily available, as are experienced guides.

Dive in – an astonishing underwater world awaits!

Highlights

- Location** Immense beauty - located in the unspoilt north of the Maldives
- Marine Life** Famous for enormous and unmatched schools of colorful reef fish
- Nature** Perfectly shaped Robinson islands in a tropical setting
- Diving** Close proximity to world famous dive sites: Orimas Thila/Christmas Tree Rock
- Culture** Possibility to visit local islands and get a glimpse of the local culture.

We welcome you all year round with the beautiful waters, plenty of sunshine and warm smiles.

MALDIVIAN DIVING AND CRUISING

Sub Oceanic at Noku Maldives Resort provides fun, professional and safe experiences with a local touch. We take pride in being able to offer a wide range of activities:

"Who would have known. A beauty this immense" (Björk)
