IMPORTANT TO KNOW...

We would very much appreciate if you can please advise us all the guests' full name, international arrival & departure flight number in order for us to arrange your seaplane transfer to the resort. Kindly note that we would require the details at least 3 days prior to arrival to arrange the best connecting seaplane transfer.

The mandatory transfer to the hotel from Male' Airport will be booked by hotel on behalf of guests and is arranged either by seaplane (operational day hours between 06:00 and 16:00 only) or by combination of domestic flight and speedboat (operational night hours between 18:00 and 01:00)

The frequency and timings depends on the load factor of passengers, weather conditions and international flight arrivals on a given day.

Guests are booked on the preferred mode of flight transfer considering their comfort and the arrival/departure time of their international flight.

Check-in baggage allowance is 20kg (luggage) + 5kg (hand luggage) per paying passenger. Excess baggage will be chargeable at USD 5.00 per kg.

Flight schedules are prepared by external seaplane company and shared with the resort a day prior to guest arrivals or departures. Time reconfirmations by the guests are to be made directly with the resort.

Our airport representative will be waiting outside the arrival terminal holding a signboard of Banyan Tree/Angsana. Please proceed to our counter (Zone A, Counter 7) at the airport, in case you were not able to notice our airport representative. Arriving Guests flying by Seaplane Flights are escorted to the Angsana Velavaru seaplane terminal lounge.
