

Crusoe Villa 2 Bedroom with pool

Two Bedrooms
Total area 649 sqm.

The original, secluded Robinson Crusoe villa with two bedrooms, a private pool, and upper terrace.

Strolling the pristine sands and jungle greenery of our island, far from any mainland shore, we fell in love with the feeling of being blissfully lost from the world, shipwrecked on a Maldivian deserted isle with only its natural bounty at our disposal. Embracing this sensation, we designed this villa with tropical whimsy: raw wood that retains its gnarls and bends, woven ropes, recycled planks, palm thatch.

You and your family can relish its Robinson Crusoe spirit as you laze amidst its terraces on levels high and low, splash around in its private pool, or lounge on the beach at your doorstep.

Our largest villa, the Private Reserve offers everything from a children's bedroom, private pool and water slide, to a spa, sauna, steam room, and fitness room.
