TALISE  
OTTOMAN SPA

MARGY'S  
MONTE-CARLO

Gold Mask

## Margy's Monte Carlo

Discover a selection of extraordinary treatments developed exclusively for Talise Ottoman Spa by Margy's Monte Carlo. Margy's Monte Carlo is a highly exclusive, truly unique cosmetic label offering innovative solutions to meet your every need and that of your skin. Founded in 1993 by Margie Lombard, Margy's Monte Carlo aims to meet the real cosmetic needs of customers on a daily basis and offers a customised and exceptionally effective skincare and cosmetic line suitable for all ages and skin types. This world-class skincare collection is now available for purchase at Talise Boutique.

### The world's most luxurious spa experience - Full day AED 25,000

Discover the world's most luxurious treatment, featuring the one-of-a-kind 24 carat Gold Mask exclusively available at Talise Ottoman Spa. Relax and unwind as your skin is transformed by this revolutionary facial that will leave you utterly amazed by the results. Proceed to enjoy a revitalizing Arabian Gold Hammam, Rose Bliss and Argan Oil Massage and a skin-softening Milk and Rose Oil Jacuzzi Bath. The treatment also includes a luxurious champagne and caviar lunch in the privacy of your very own spa suite as well as a unique premium Margy's Monte Carlo gift bag on departure.

Margy's Monte Carlo Products

### Margy's prestige collagen facial (botox effect) - 90 minutes AED 789

Delight in immediate firmness and instant rejuvenation with this luxurious treatment. A protein cocktail of Collagen and Myoxinol, this facial will give you a botox-like effect and is the most efficient facial to lift up and reduce the appearance of wrinkles. Your face contours and features will be completely relaxed, smoothing out expression lines. Your skin will feel utterly revitalized and renewed as it is recharged with long lasting moisture.

### Margy's anti-aging revealing facial - 60 minutes AED 529

This unique facial will help your skin to breathe by moisturizing the deeper layer of the epidermis and stimulating blood circulation. Your skin will be re-oxygenated and refreshed from the inside out with an immediate radiance boost and will shine with freshness.
