WATERSPORTS

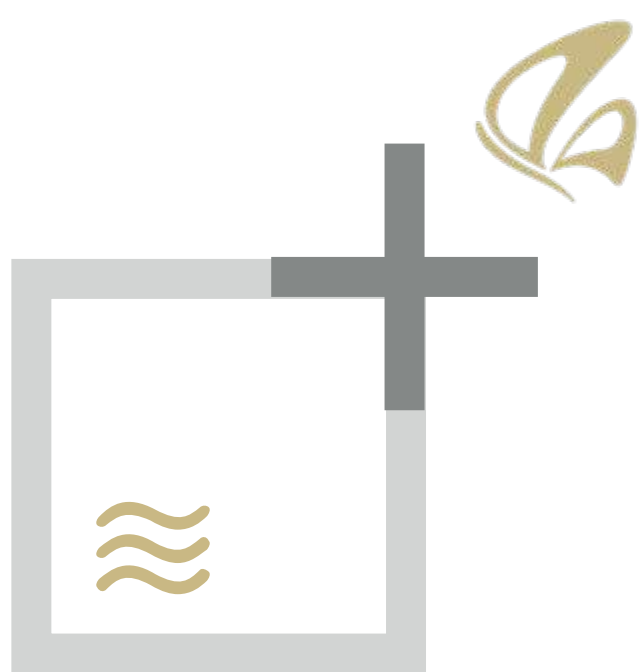

DEEP BLUE OCEAN

In Zanzibar the sea makes it possible to do sport activities impossible to do in our cities. From sailing to sport fishing, our guests have a very wide range of possibilities.

DIVING

*Sea is our most beautiful gym,
book your holiday*

THE BEST PLACE IN ZANZIBAR TO DO SPORT IS THE SEA

Diving or scuba diving is famous in Zanzibar thanks to the beautiful ocean floor. Thanks to the partnership with Dive Time Zanzibar, Fruit & Spice Wellness Resort's guests will discover and learn this discipline by diving in the Kizimkazi area. It is a small, fishers' village surrounded by many spots perfect for diving. The school is equipped with all the things you need and you will be supported by professional instructors.

More information at the reception Area.

**DISCOVER
THE INDIAN
CORAL
REEF**

SNORKELING

Snorkeling is a very easy sport activity, perfect for everyone and incredibly relaxing and fascinating.

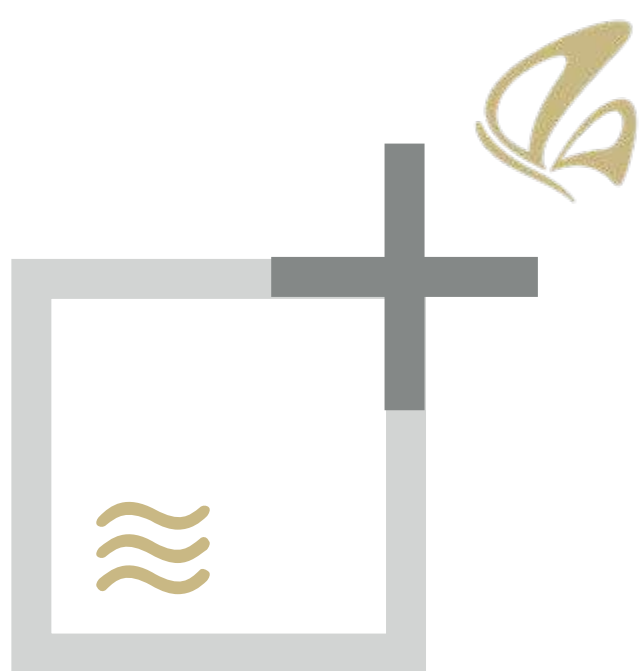

Zanzibar's typical variation between high and low tide will make you reach the coral reef quite easily.

With flippers, snorkel and diver's mask you can swim or float an inch from the surface of the water to admire unique natural beauties.

Fruit & Spice Wellness Resort will provide you with the necessary equipment for free.

More information at the reception Area.

KITESURF

On site (40 minutes from the resort - at Paje beach) there is a school, not linked to the resort, with qualified instructors and professional equipment.

IT IS THE MOST RECENT VARIATION OF SURF

You get pulled by a kite flying in the sky and working as a propeller for the surf. It is a very dynamic and adrenaline discipline.

The only thing that changes is the dimension of the kite, adapting to wind conditions. Close to the Fruit & Spice Wellness Resort there is Paje beach which is perfect for kitesurfing.

On the beach there is a school (not partnered to the resort) with qualified instructors and professional equipment.

More information at the reception Area.

FISHING

Zanzibar's most famous sport is fishing. Ocean floors make it possible to practice all types of fishing, from deep-sea fishing to classical fishing.

The presence of different types of fish is seasonal.

From August to November, you can find many yellowfin tunas while from November to March you will find many Marlins. Nevertheless, fish species are numerous.

For all lucky fishers who have a good catch to show to their friends, it is possible to ask our chefs to cook it.

More information at the reception Area.

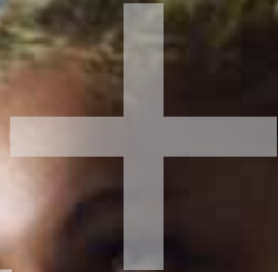

LOCAL NORMAL FISHING

Relax in the waves with skilled fishers who will take you to your adventurous fishing excursion. Once you get back, you can ask our resort chefs to cook the catch for you.

HONEYMOON

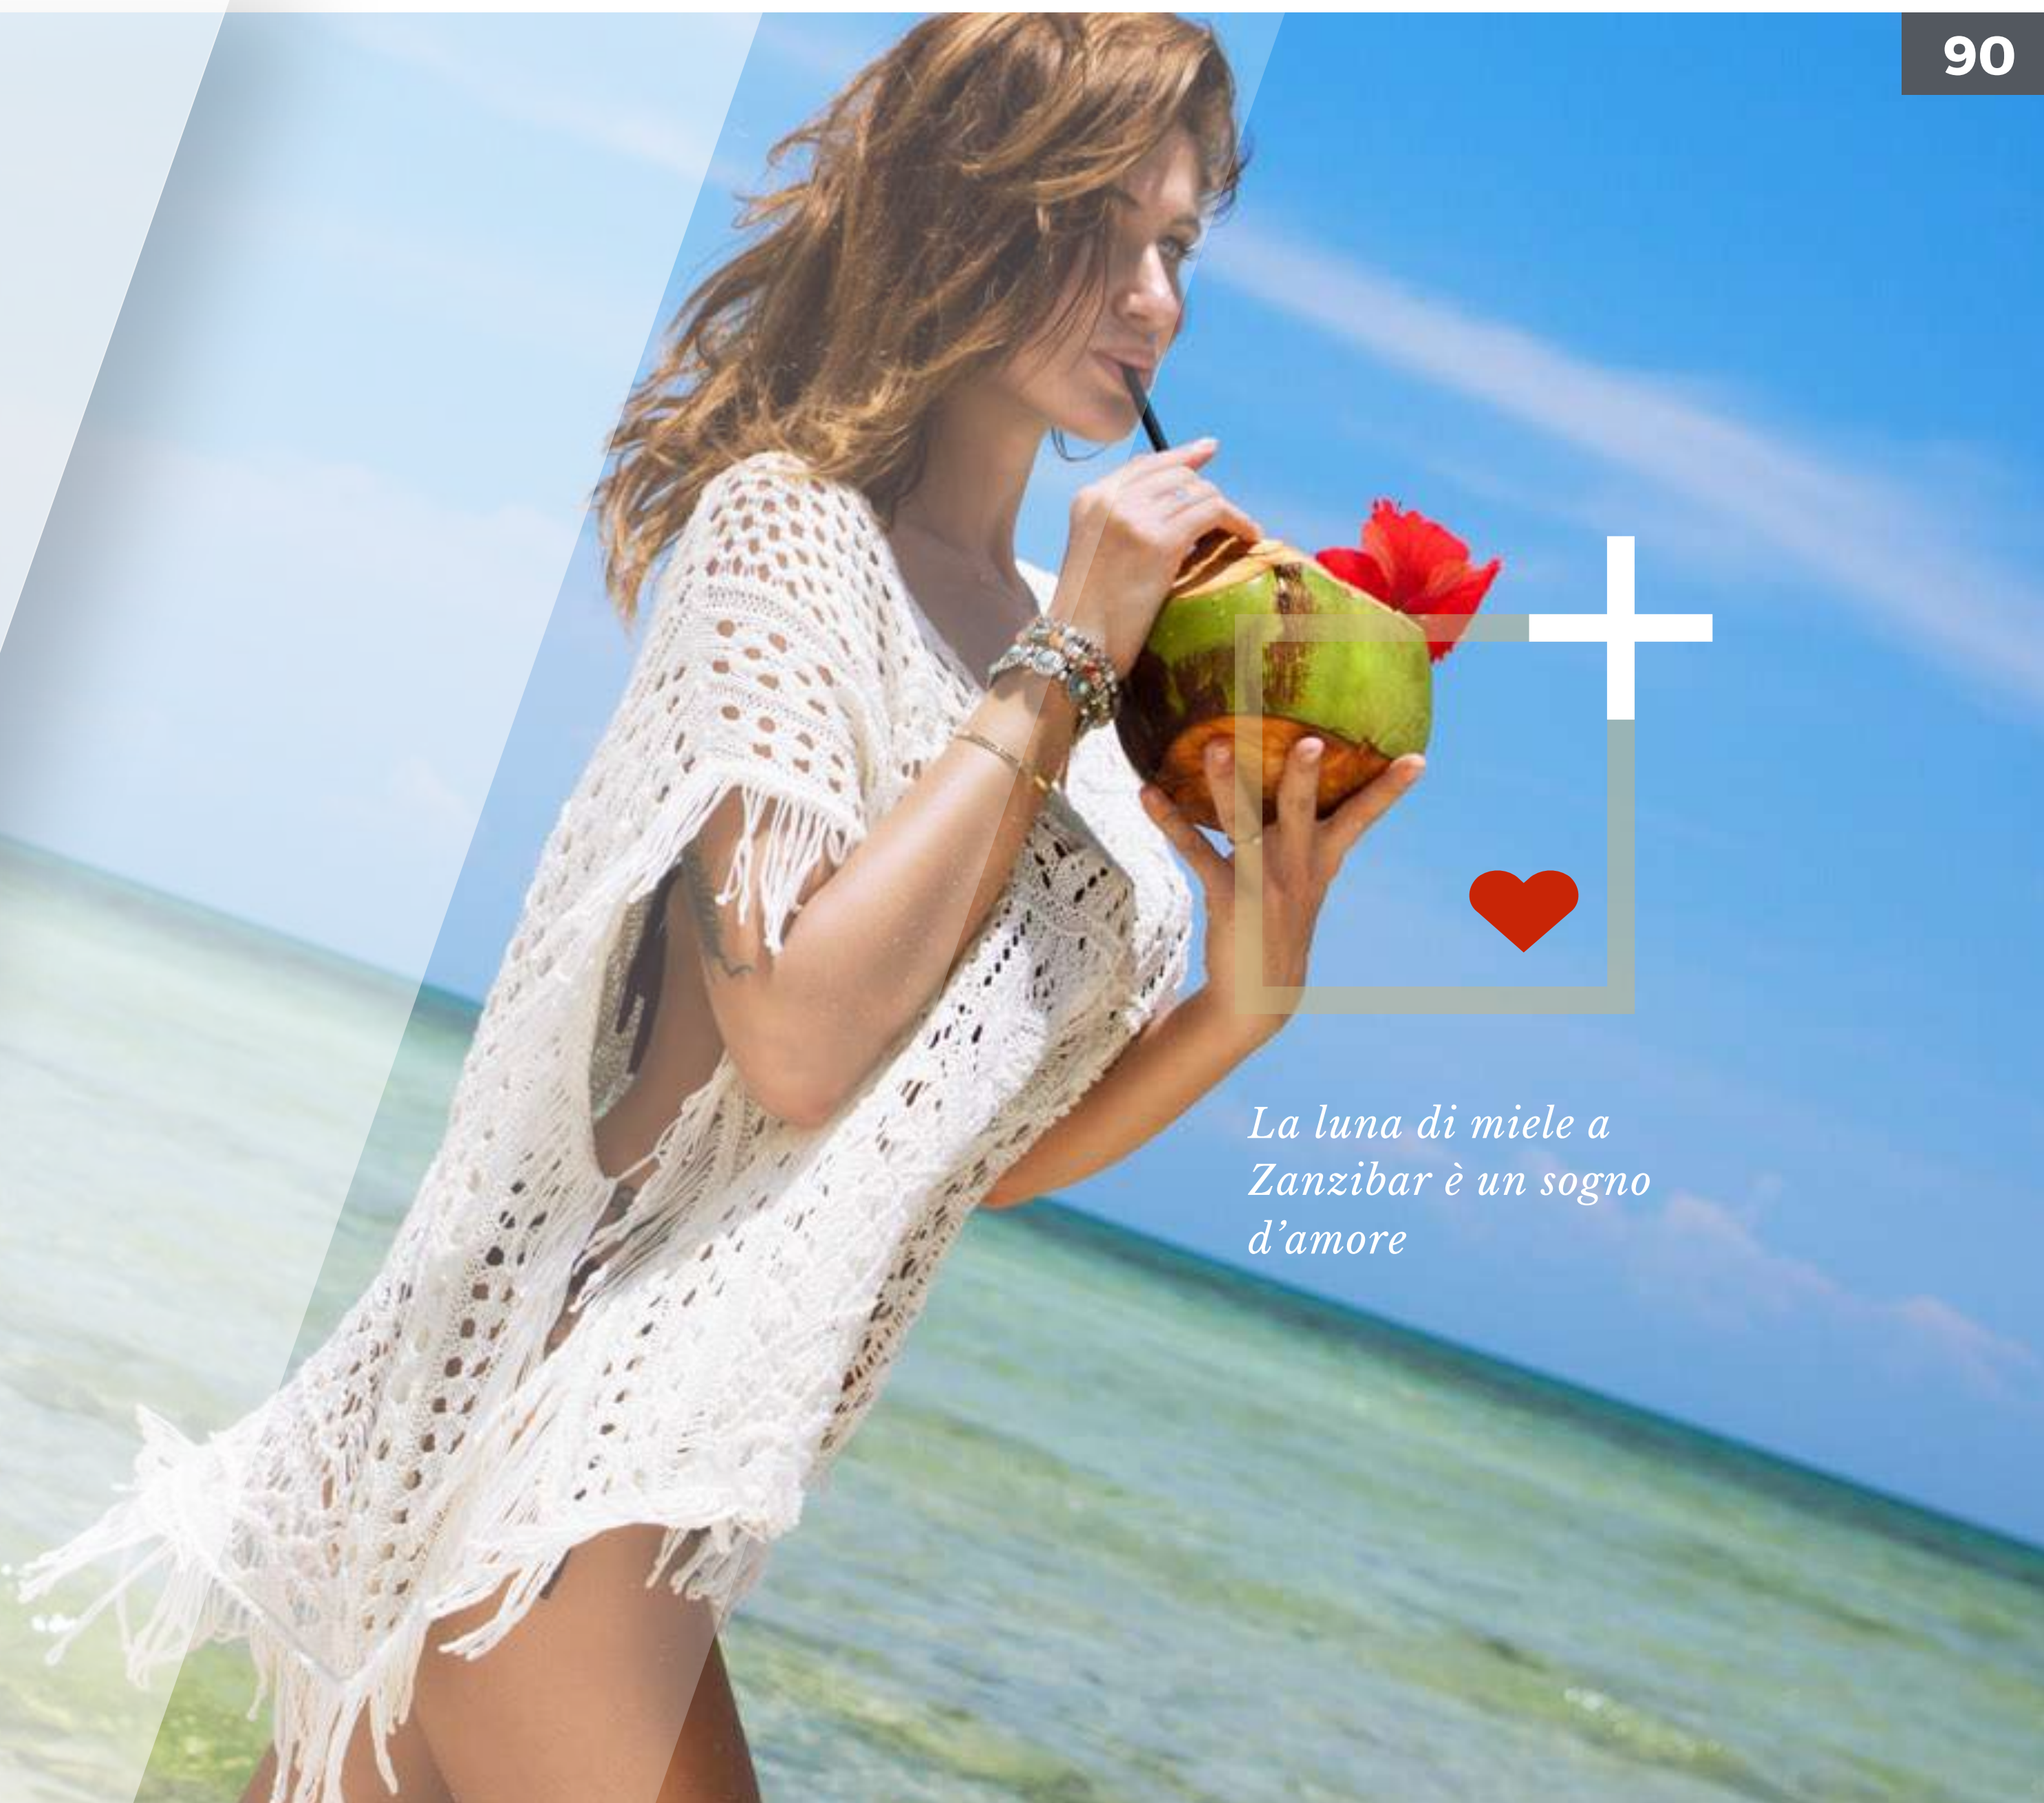

HONEYMOON
