

## LIGHT TACKLE AND FLY FISHING AT COMO MAALIFUSHI

Try your hand at light tackle and fly fishing with trips to the north and south of COMO Maalifushi from December to April. There are expansive, unspoilt flats across the atoll, where an array of species including bonefish, bluefin, reef and giant trevally, yellow margin and titan triggerfish can be caught.

Light tackle and fly fishing trips are priced from US\$500 for three hours and US\$600 for five hours. Prices include charter of a Hewes Redfisher 18 boat, fishing guide and bottled water.

---

**Please note:** This activity is subject to weather conditions and tides. We practice responsible fishing on the flats – you must fish using the 'catch and release' method. Spaces are very limited due to the number of boat charters available, so we do strongly recommend that bookings are made at the time of room reservation, to avoid disappointment.

Prices are not inclusive of a 10 per cent service charge and prevailing government taxes.
