DIVING

Kudafushi Resort & Spa offers the opportunity to discover the incredible Raa Atoll, where whale sharks, mantas, turtles are spotted on a regular basis. Kudafushi Diving Center exclusively follows the P.A.D.I. system (Professional Association of Diving Instructors). The PADI system of diver education is based on progressive training that introduces skills, information on the safety and local environmental knowledge to students in the courses.

PADI courses are student-centered and provide for maximum practice and application. Students learn the basics through self-study and then they are guided by their instructors. The aim is to bring students into the water as soon as possible and provide them with the education they need to gain confidence in the techniques of diving.
