CIGAR, SHISHA & CIGARETTE SELECTION

COHIBA MINI CIGARILLOS, CUBA

24

Hand-made Cuban vitola having finest Habano flavors and rich tobacco notes from Vuelta Abajo. Every Cohiba Mini is made with fine selection of tobacco leaves, maintaining the quality using only whole-leaf tobacco with every vein removed carefully to add smoothness. The processing and fermentation technique is too complex and is key reason of the distinctive flavor notes finally the unique rolling technique turning it into a spot-less aromatic Cohiba.

MONTECRISTO MINI, CUBA

20

Slight hints of coffee,tobacco mixed with some caramel,the room note is not at all unpleasant and the smoke is creamy but still light on the palate. The Montecristo Mini is a good quick smoke if you are pushed for time and need a cigar fix then this is an ideal way to get one taking only 10 mins to smoke. The Mini is not going to offer your palate any sort of challenge there is no real complexity in the smoke, the second half offered nicotine with a little pepper and wood but not in any satisfying amount.

ROMEO Y JULIETA PETIT CORONAS, CUBA

60

Woody and fresh this Petit Corona is short but pleasant. Balance is the key to this cigar, a balance between strength and flavour and a balance between size and burn. The result of this perfect balance is an easy cigar that seduces and makes itself a companion for any situation. This is a great cigar for less experienced palates to develop their novice taste buds.

ROMEO JULIETA PETIT CHURCHILL

88

A paramount display of Romeo y Julieta's wide palette of flavors. Medium in strength with notes of tangy orange peels, fragrant wood, fresh herbs, roasted hazelnuts and hints of leather fill the palate. A crisp start with an abundant smoke. This is a young and quite delicate cigar with great ageing potential.

MONTECRISTO NO: 05 DEMI CORONA, CUBA

70

Short in size, this Montecristo No.5 is an accessible cigar and perfect for smoking on the run. Punchy, full of floral notes and vanilla wisps the No.5 has an underlying bitterness which is pleasantly reminiscent of cedar wood.

MONTECRISTO NO: 04 PETIT CORONA, CUBA

70

Well balanced, well-structured and appealing to the palate. Smooth, mellow, rich and creamy the leather, coffee and earth flavors remind us of classic Havana. This petit corona rivals its popular brother, the Montecristo No.2, in taste.

COHIBA SIGLO III

72

A Cohiba success story! The elegance of this cigar lies in its clear aromas of grilled nuts, liquorice and new leather.

MONTECRISTO NO: 03 CORONA, CUBA

76

Coveted worldwide this, corona's tangy flavors and medium tobacco taste make it accessible, friendly and very inviting. A single malt whisky compliments this simple but effective cigar.

CIGAR, SHISHA & CIGARETTE SELECTION

COHIBA ROBUSTOS, CUBA

90

The aromas of this very noble cigar are swathed in clove, aged wood and cocoa. While some might dispute the claim, and we refer to this Robusto as the finest of them all. On a technical level the construction is almost always flawless and the draw is rich and ample. On the palate an intricate blend of fresh grass and rich earth take turns in leading the delicate burn through blissful ebbs and flows. A connoisseur's smoke that can certainly be appreciated by novices alike.

MONTECRISTO NO: 02 TORPEDO, CUBA

90

This figurado is a longtime favorite among cigar aficionados and is a "Cuban classic". The blendmaster's proportions of ligero, seco and volado tobacco are poetic and result in a romantic smoke, a return to Havana on the spot. Ligero and seco tobacco from the paragon of soils in the Vuelta Abajo region spill into each other creating heady smoke full of dark chocolate, earth and oily spices.

ROMEO JULIETA CHUCHIL 84

Woody and fresh this Petit Corona is short but pleasant. Balance is the key to this cigar, a balance between strength and flavour and a balance between size and burn. The result of this perfect balance is an easy cigar that seduces and makes itself a companion for any situation. This is a great cigar for less experienced palates to develop their novice taste buds.

COHIBA SIGLO VI ROBUSTO EXTRA, CUBA

105

Launched to commemorate ten years of the Siglo series, this cigar is unctuously rich in complex flavors and is indisputably one of Cuba's finest cigars. Virile and refined, this habano spills out creamy notes of leather, cocoa and sweet spice. The power of the Siglo VI is transitional but never obtrusive, a gracious journey. With age, these cigars will mature with the grace of a vintage Rolls Royce. an indispensable must for any aficionado.
