FEEL THE DIFFERENCE

Raha

Before catching early-morning waves, fill up with a hearty breakfast at RAHA, the resort's casual dining restaurant. Inspired by Asian flavors, spices and colors of ingredients offers a food show that spans from this side of the globe to the next. Western influences in seasoning and cooking methods, will combine both world into an array of aromas and tantalizing flavors.

Kabuki

A conceptual journey of discovering South American and European ingredients elevated with Japanese cooking techniques and traditions, with a flair of theatrical appeals.

The image shows the interior of Mahurab, a lounge and bar located overwater. The space is characterized by a high, vaulted wooden ceiling with exposed beams. Two large, cylindrical wicker pods are the central focus, each containing a cluster of warm-toned pendant lights. The floor is made of light-colored wood. In the foreground, there are several light blue armchairs and a dark wood coffee table with a red interior. The background shows a view of the ocean at night, with city lights visible in the distance. The overall atmosphere is warm and sophisticated.

Mahurab

Plan a romantic date or late-night gathering at MAHURAB, the resort's wine, cocktail, and cigar bar located overwater. Savor comfort snacks that will pair in unison with the cocktail or wine selection.

Crusoe's

Inspired by the adventures in the classic novel *Robinson Crusoe*, this themed adult-only bar provides a “castaway chic” refuge for island explorers. Crusoe's Bar is a venue that combines food bites inspired by Spanish, Italian and exotic flavors plated in Tapas style

Eats & Beats

Sip on an ice-cold beverage while basking in the sun at EATS & BEATS, the poolside bar. Whether the guest's plans include lounging in a cabana, enjoying sunset with fresh-from-the-oven pizza, or attending a themed party, this lively beach club-inspired bar is the spot to be.

The Lab

Relish at our wine cellar boasting a curated and refined collection of wines, cocktails and premium champagnes selected by our Sommelier & Mixologist. Indulge in a carefully crafted pairing dinner hosted by our Chef. The Lab opens twice weekly and by reservation for dinner only.
