BEER

MENABREA*

Piedmont, Italy

This 4.8% ABV pale lager is well balanced between citrus, bitter tones and floral, fruity undertones giving a consistent and refined flavour. It has a complicated malty, hoppy taste with an exceptional head retention due to the quality of our ingredients and maturation process.

Price \$ 7

ICHNUSA*

Sardinia, Italy

Ichnusa is the beer that accompanies every moment of everyday life. It is a true triumph of harmony: a balanced flavour, colour and a discreet aroma, a pleasantly bitter note which gives it the right character accompanied with persistent froth. Moderately crisp and refreshing, tight and fine grain, with a light pleasant scent of hops.

Price \$ 7

MORETTI*

Friuli, Italy

It is a bottom fermented beer with a golden colour. This colouring is a result of the type of malt used in brewing. Its alcohol content is 4.6% alcohol by volume. It is not a strong beer and is therefore perfect for drinking at lunch, at dinner or for evenings out with friends.

Price \$ 7

SAPPORO*

Japan

With lush use of aroma hops, Sapporo Premium has an amazingly crisp taste, refreshing flavor, and refined bitterness to leave a clean finish. Contains Barley.
