# ITALIAN SPARKLING WINE

## “METODO CLASSICO”

Lombardia

### Franciacorta Bellavista “Alma” Brut

---

Made in the 'traditional method', the different parcels of wine are all vinified separately. 15% of the wines used in the blend are fermented and then matured for seven months in small oak barrels. These wines are then blended with the "reserve wines", which come from between six and nine earlier vintages. Once blended, the wine is bottled and the second fermentation takes place in bottle. It is then left to age on the lees for two and a half years before release. The contribution of the reserve wines ensures Bellavista's consistent, signature style. It has a lively and persistent mousse with fine perlage. It is an attractive pale yellow in colour, with green reflections. Perfumes of white flowers and stone fruits, with subtle hints of vanilla, which follow through on to the palate. Fine, elegant yet rounded and beautifully balanced.

**\$ 125**

### Franciacorta Bellavista Satèn 2013

---

Made in the traditional method, 40% of the wines that make up the blend are fermented and matured for at least seven months in small oak barrels. The remainder of the blend is fermented in stainless steel vats. The glacial soil is full of stones, and provides the ideal environment for the Chardonnay and Pinot Noir grapes used in the production of their Franciacorta.

## PIEMONTE

### White Wines

#### Gavi di Gavi "White Label" La Scolca 2018

---

La Scolca "White Label" is considered the everyday, affordable alternative to the estate's legendary "Black Label". Although sourced from younger vines than the Black Label, this estate-grown Gavi offers similar richness and complexity from extended lees aging and a superb vineyard site that makes this choice a perfect by-the-glass solution and an everyday value for enjoyment at home. Light straw in color with green undertones. Zesty lemon aromas with some almond and stone fruit notes. Crisp, lively, mineral character with sharp acidity and a refreshing, lasting finish.

**\$ 70**

#### Gavi di Gavi "Black Label" La Scolca 2018

---

First released in 1966, this is the original or benchmark Gavi, which brought fame to the then small wine producing region and showed the world the potential in quality of white wines from Italy. Sourced from the estate's oldest Cortese vines, averaging over 60 years of age, these are also among the oldest in the appellation. Vines are located on the hills surrounding the Villa La Scolca. Soils are of volcanic origin, composed of calcareous-clay with veins of chalky limestone similar to that found in Champagne and Chablis, giving a characteristic flinty character.

Pale straw in color with delicate greenish highlights, intense lemon citrus fruit with flinty notes on the nose, comparable to the best wines from Chablis.

**\$ 160**

## Chardonnay "Rossj Bass" Gaja 2017

---

This wine is produced from grapes grown in several estate-owned vineyards. The Rossj vineyard, planted in 1984, is named for Angelo Gaja's younger daughter Rossana (Rossj). Bass is Piemontese for the Italian basso, meaning low, a name derived from the vineyard's position. Pheasants are featured on Rossj-Bass' label to commemorate the beautiful birds that inhabit the forests adjacent to GAJA's vineyards.

The nose opens with a floral character (jasmine and daisies), followed by fresh notes of green almond, sage, thyme and green tea leaves. On the entry, the wine is luscious, with juicy notes of nectarine, pear, mango and pineapple. The bright acidity refreshes the palate, finishing with mineral and balsamic notes of flint, mint and fern.

**\$ 310**

## Chardonnay "Gaia & Rey" Gaja 2016

---

Straw yellow in color, this Chardonnay has a rich nose with hints of toast and vanilla as well as aromas of citrus fruit. On the palate, it is full-bodied with concentrated and ripe fruit balanced by a lively acidity.

That wine was direct and linear reflecting the cooler summer months. This wine, however, promises to be more tonic, sharp and focused despite the warmer growing season. This pure expression of Chardonnay is made in a more reductive style in order to highlight that nervous and bright vein at the back. The winery is switching over to older barrique (some as old as a decade) and botte grande to allow for less oxygen in winemaking. The wine opens to aromas of Golden Delicious apple, white peach, wild sage, ginger and honey.

## Red Wines

### Barbera d'Alba "Ruvei" Marchesi di Barolo 2017

---

The Barbera d'Alba is the most traditional wine among Piedmont wines. The grapes come from vineyards of mainly calcareous clay soils, alternating with layers of whitish marl, able to ensure the wine an excellent structure and to equip it with a vigorous but balanced character. The product specification allows for the vinification of Barbera d'Alba also with a small percentage (up to 15%) of Nebbiolo d'Alba, in order to increase finesse and elegance. The color is ruby red with purple hues. The woody note is well mixed with the remaining sensations.

**\$ 70**

## Dolcetto d'Alba "Madonna del Dono" Marchesi di Barolo 2016-2018

---

The particular composition of the soil and the temperature-controlled fermentation enhances the typical characteristics of Dolcetto d'Alba which, by its nature, produces an intense ruby red color wine with purple hues. The scent is fresh, fragrant and fruity, and immediately reminds maraschino cherry. The harmonic dry taste is due to the low acidity. A classic wine for the whole meal. For its freshness characteristics combined with an harmonious fragrance, it is the perfect wine for appetizers, first courses and delicious dishes

**\$ 70**

## Barbera d'Asti "Cá Di Pian" La Spinetta 2015

## Sito Moresco Gaja Langhe 2017

---

A fruity, elegant taste; good balance in the mouth and a fresh fruity finish with very fine, silky tannins. Ideal to drink young but matures well for at least 5-7 years. Sito Moresco combines the complexity and longevity of Nebbiolo with the refinement and accessibility of Cabernet Sauvignon and Merlot. Each variety is fermented separately on the skins in stainless steel tanks, for two weeks at temperatures of 77°-82°F. The three varieties are then combined to complete the malolactic fermentation. 18 months in barriques followed by at least 6 months of bottle aging.

**\$ 160**

## Barolo "Tradizione" Marchesi di Barolo 2014

---

This particular Barolo is made up exclusively of a blend of the various Barolos obtained from the historic vineyards owned by Marchesi di Barolo located in the municipality of Barolo, namely: Cannubi, Sarmassa, Coste di Rose, Castellero, Boschetti, Preda, Vignane and Ravera. Grapes, picked by hand, are destalked and soft-pressed. The must is fermented in stainless steel tanks. The skins are macerated for 8 days with racking of the wine when the fermentation has completed. The malolactic fermentation ends within December. This wine with a big structure well combines with main courses of red meats, braised dishes and game in general. It is also an ideal accompaniment for cheeses.

**\$ 170**

## Barbaresco Gaja 2015

---

Superbly balanced, this '12 Barbaresco places its transparent Nebbiolo fruit on a foundation of fresh-cut herbs, pepper, crushed flowers and wet river rocks. A mono-varietal Nebbiolo and the only wine that adheres to DOCG regimen, this Barbaresco honors Gaja's winemaking heritage in its blending across eight separate vineyards for this bottling. Gaja ferments each vineyard lot

separately in temperature-controlled stainless steel for about three weeks, and malolactic fermentation occurs in barrique. After fermentation, the separate wines mature for a year in barrique; Gaja makes its final blend, and the wine ages in botti for another year before bottling

**\$ 450**

### Sperss Gaja Langhe 2009-2014

---

The Gaja family purchased grapes from Serralunga for their Barolo until 1961, when they decided to produce only from estate-owned vineyards. In 1988, they acquired a 30-acre vineyard in one of Serralunga's best areas and named it Sperss, which is Piedmontese for nostalgia. It refers to the Gaja family's nostalgia for the powerful character of Serralunga wines. Powerful and structured. Delicate aromas of sandalwood, blackberry, licorice and cherry follow through to a full body. An amazing wine

**\$ 57**

### Costa Russi Gaja Langhe 2013-2014

---

Dark ruby/purple. The Costa Russi shimmers on the palate with extraordinary grace. Notes of tar, smoke and licorice develop in the glass, adding a touch of complexity and nuance that is sometimes missing in this bottling. The French oak is present, but deftly balanced with the wine's other components.

The eleven-acre Costa Russi vineyard was acquired by the Gaja family in 1950 and today produces one of Gaja's single-vineyard Langhe D.O.C. Nebbiolo wines. A "costa" is the side of a hill that faces the sun; "Russi" is the name of the former owners of this vineyard.

**\$ 950**

### Sori San Lorenzo Gaja Langhe 2013

---

The word "sori" means a hilltop with a southern exposure. San Lorenzo is the patron saint of Alba Church whose benefice was the owner of the vineyard until 1964, when it was then acquired by the Gaja family. The Langhe Nebbiolo D.O.C. appellation was introduced in 1993. It comprises the hills around Alba and includes the Barolo and Barbaresco zones. Sori San Lorenzo is almost always the most powerful and austere of Gaja's five single-vineyard wines. It is extremely concentrated, with intense notes of blackcurrants and black cherries and hints of blackberries, mineral notes and aromas of herbs and exotic spices; a colossal, rich wine with a complex structure and great concentration and power.

**\$ 950**

## Sweet Wines

---

The 2012 growing season was characterised by an abundance of sunny, dry weather; some rain did fall as well, but it occurred in just the right periods, before the harvest, and helped the vines to cope with the hot, dry conditions. Ornellaia 2012 appears a deep ruby, and a remarkably beguiling bouquet boasts rich fruit and spices notes. The palate shows well-rounded, full, and generous, with glossy tannins and a complete absence of any roughness. The 2012 lacks none of the proverbial concentration that distinguishes Ornellaia’s, great vintages, but this vintage adroitly masks that richness behind an expansive, magisterial structure, then concludes with a near-endless finish.

The 2012 Solaia has a classic style and is characterized on the palate by the pleasurable harmony of flavors created by a fine balance between acidity and tannins and high level fruit which lasts from the initial impact through to the lengthy finish and aftertaste. ### Nero d' Avola "Santa Cecilia" Planeta Noto 2015

---

Santa Cecilia is our highlight from the most important Sicilian grape variety, Nero d'Avola. Our long research into finding the best place to produce a great wine from this grape brought us to Noto, where the DOC Noto insists that the variety originates, at the southern extremity of Sicily. With its white soils and its ancient vines

this is the epicentre of cultivation for Nero d'Avola. Santa Cecilia is an expression of elegance, power, balance and eminence of the unique aromas of Sicily, and today is the reference point for red wines produced from indigenous Sicilian grapes

A very spicy fruity wine, brilliant and clear, perfumed with carob, bergamot and orange peel. The compact ripe fruit and balsamic notes on the palate dissolve in a sweet and vigorous manner to accompany tannins of dense texture but also open and calibrated to the structure of this wine of deep baritone tones. Traces of graphite confer elements of a high tasting lineage while cleverly elicited wild blackberry and cherry maintain the wine on a register of rigorous style and taste.

Vermentino often shows the fragrance of macchia, the mix of evergreen shrubs and herbs that typifies the Sardinian landscape. Costamolino is produced with the Mediterranean table in mind. The wine's lemony acidity will accent rock lobster or squid but carries enough weight to work with spaghetti topped with bottarga or a bowl of brothy clams and fregola. Vermentino's herbal flavor can also highlight vegetables such as fava beans or fennel.

## SARDEGNA

### Red Wines

#### Cannonau "Costera" Cantine Argiolas 2016

---

Costera, a name referring to hills, is made from Cannonau (Garnacha or Grenache). It is the workhorse red grape of Sardinia where it is likely to have arrived centuries ago from Spain, although an alternative theory suggests that Cannonau originated in Sardinia. In either case, Cannonau is well-adapted to the warm Sardinian climate and gives a deeply-colored, full-bodied red wine.

The wine shows the typicity of the Cannonau grape with flavors of very ripe strawberries, black cherries, herbs, and spices. The warmth and intense sunlight of southern Sardinia can be seen and felt in the wine with unexpectedly deep color and fullness on the palate. French oak barriques provide rounded tannins and flavors of vanilla.

**\$ 70**

#### Isola dei Nuraghi "Turriga" Cantine Argiolas 2009

---

Turriga is the benchmark red wine of Sardinia, conceived by the Argiolas Family and Giacomo Tachis. The impetus was to create a great Sardinian wine capable of long aging using only Sardinian varietals. It is a blend of Cannonau, Malvasia Nera, Carignano, and Bovale Sardo with two years aging in French barriques

Turriga is a powerful red wine that requires time in bottle to show its full complexity. Upon release, Turriga is densely packed with powerful tannins and tightly wound fruit, thus decanting is recommended. With time in bottle, Turriga reveals multiple layers of Mediterranean herbs, roasted coffee, spices, and licorice with a generous core of black and red fruit.

---

Château Meyney's vineyard is planted of 65% Cabernet Sauvignon, 25% Merlot and 10% Petit Verdot, on a perfectly-drained gravel soil that provides ideal conditions for grapes ripening. This unusually high share of Petit Verdot explains a particular trait of the wines, which regularly show notes of leather and musk after a period of time. The wine is full-bodied, well-rounded and structured. After ageing, the wine displays the remarkable charm of the best Saint-Estèphe: complexity, balance and harmony.

## Château Le Bon Pasteur Pomerol 2005

---

A superb effort from proprietors Dany and Michel Rolland, the 2005 Bon Pasteur is the antithesis of the kind of wine Rolland's critics claim he makes (which they ignorantly suggest are over-oaked, over-extracted, and over- the-top). Nothing could be further from the truth. Rolland, a brilliant oenologist, has done more than any other person alive today for the quality of Bordeaux. His 2005 Bon Pasteur is an elegant, subtle, deep ruby/purple- colored wine offering hints of graphite, sweet mocha, black cherries, and berries that build incrementally in the mouth, ending in a cascade of full-bodied, concentrated fruit with good acidity, beautiful tannin, and stunning precision as well as length. The tannin structure suggests 3-5 years of cellaring is warranted, but based on past examples (even the opulent 1982, which is still going strong), the 2005 should age for 25-30 years.

Very deep, youthful colour, and intense almost purple hue. Very classic Rubicon nose with violets, ripe plum, cedar wood and intense spiciness. A typical liquorice notes and stony minerality also evident on the nose. Still youthful and intense, promising further maturation potential. The palate is full bodied, structured by beautifully sleek, ripe tannins which restrain the vibrant dark fruit typical of this vintage. The wine lingers on the palate with creamy fruit mouthfilling linear tannins

## Rosé Wines

### Cabernet Sauvignon Mulderbosch Stellenbosch 2018

---

First released in 1999, Mulderbosch Rosé was one of the very first of its kind from South Africa. At a time when most Rosés were a byproduct of red wine fermentation, Mulderbosch launched a varietal Cabernet Sauvignon Rosé issuing from specially farmed vineyards specifically to produce Rosé fruit. On arrival at the cellar, these early picked, specially selected grapes were vinified in the same manner in which an aromatic white wine would be, with the aim of producing a fresh, aromatic style of Rosé.
