

Albanian evening

(An unforgettable evening with dancing and music)

From the hotel we will leave at 20:00 to Lekursi Castle, located on a hill at an altitude of 600 m. above sea level, from where a picturesque view of the city of Saranda opens. From the observation deck you can admire stunning views not only of the bay and the Ionian Sea, but also of the coastline of the Greek island of Corfu, located on the opposite side.

Previously, the castle was a military garrison built by Turkish soldiers in the 17th century to control all the main roads intersecting in the city of Saranda. The castle consists of fortification walls forming a square, two round towers and one rectangular one at the western wall.

In this authentic atmosphere, you can enjoy a wonderful evening, tasting traditional dishes and local wine to the polyphonic sounds of Albanian music. If you wish, you can join in the performance! And you will feel like a true Albanian!

Albanian folk polyphonic singing is included in the list of "Masterpieces of the Oral and Intangible Cultural Heritage of Humanity" by UNESCO.

After dinner - a walk along the Saranda embankment, where you can buy handmade souvenirs.
