

PARGA

(History and seaside holidays in Greece)

Join us for a wonderful and unforgettable trip to the city of Parga. Parga is located in the northwestern mainland of Greece in a secluded place by the Ionian Sea.

You will have the opportunity to explore the beautiful city, the castle of Ali Pasha, the picturesque streets and the old houses of Parga. The castle is located on top of a hill, from where a vast panorama opens up. It was previously used to protect the city, both from the sea and from the land. It was originally built in the 11th century by the inhabitants of Parga to protect the city from pirates and Turks, and then destroyed. In the 13th century, the Venetians, having captured these territories, restored the castle.

After exploring the city, we will admire the rocky beaches of Parga. We will go on a boat trip and stop at Lichnos beach to sunbathe and swim in the sea.
