

Tirana City Tour – modern capital of Albania

Kruja city of national hero Skenderbeg

Kruja Castle was historically one of the most important defensive strongholds in the country, fending off legions of foreign invaders throughout the centuries.

Today, it stands as a proud reminder of Albanian perseverance and strength.

Krujë Castle has proudly stood on top of a rocky cliff, high above its city, for the last fifteen centuries.

It has witnessed the long turbulent history of this place, which was once the center of Arbëria (Albania's ancient name).

Tirana is the largest city of Albania and its capital. Tirana is also the main administrative center, where almost all state institutions such as Presidency, Prime Ministry, the Albanian Parliament, also located all diplomatic representations. We will have a walking tour on the main object of interest in Tirana.
