

The background of the entire page is a vibrant, hand-drawn illustration of several cocktails. The drinks are shown in various glassware, including tall tumblers and shorter glasses. Garnishes include fresh lemon and lime slices, green mint leaves, and colorful citrus peels (orange and pink). The color palette is bright and fresh, with shades of green, yellow, orange, and pink against a light blue and white background with splatter effects. The text is centered in the middle of the page.
