Covid-19 Safety Guidelines for Scuba Diving and Water Sports

Our Dive & Water Sports Team are patiently waiting for you to join our activities again, and when you do, our number one priority is to ensure the health and safety of all our guests and staff.

To reduce the risk of disease transmission during COVID-19 Pandemic, Diving & Sailing Maldives has adopted practices based upon recommendations from the Divers Alert Network (DAN) and the Professional Association of Diving Instructors (PADI).

By participating in activities arranged by Diving & Sailing, you agree to follow these guidelines as means of helping us protect our customers and staff.

Actions we are taking to protect our valued guests:

- Provide all Diving & Sailing Staff with information and training about the Covid-19 risks and transmission prevention.
- Strict disinfection procedures and storage of all rental equipment.
- Strict disinfection procedures of all surfaces and facilities.
- Hand sanitizer will be available at our facilities for all our guests and staff.
- Reduce passenger numbers to allow that social distancing can be kept between all passenger.
- Our Staff will maintain social distancing at all times.
- Health monitoring of all staff and body temperature measurements of all guests.

We ask all guests to please follow the following requests while partake in any activities and visiting our Dive & Watersport Center, to ensure everyone's health and safety:

- Don't participate in any activities if you are experiencing any flue like symptoms.
- Please maintain social distancing at all times.
- Regular washing and disinfecting of hands.
- Cough or sneeze in tissues or cover mouth and nose in elbow.
- Wear protective face mask which covers your mouth whenever you are out of the water.
- Return any rental equipment directly into designated wash tub.

- Inform our staff at the time of the booking about your physical abilities to enter and exit the ocean independently.
- Inform our staff at the time of booking about your capabilities to swim independently in the pool and/or ocean.
- Book activities well in advance in order to guarantee availability.

When participating in Scuba Diving Courses with us, please follow the below guidelines:

- Fill in the PADI Medical Statement form and the DAN Health declaration form.
- If you suffered of Covid-19 or suspect that you contracted Covid-19, you must provide a medical fit for diving certificate from a medical doctor to ensure your safety.
- When you return from a dive place the equipment in the designated wash tub.
- Avoid touching the equipment of other guests or staff.
- Wear diving mask and maintain the regulator in your mouth whenever possible.
- Maintain social distancing when not wearing regulator and diving mask.
- Do not defog the Mask with saliva
- Have the physical capability to swim independently on the surface.
- Have the physical capability to enter and exit the ocean independently

Certified divers are requested to:

- Fill in the PADI Medical Statement form and the DAN Health declaration form
- If you suffered of Covid-19 or suspect that you contracted Covid-19 you must provide a medical fit for diving certificate from a medical doctor.
- Handle your own equipment; Set up and take apart your gear and place it in the designated wash tub after returning from your dive.
- Avoid to touch the equipment of other guests or staff.
- Wear diving mask and maintain the regulator in your mouth whenever possible.
- Maintain social distancing when not wearing regulator and diving mask.
- Do not defog the Mask with saliva, we will provide defog.
- Use low pressure inflator on your BCD and avoid the Oral Inflation of the BCD whenever possible.

- Complete the pre-dive safety check visually and without breathing from the alternate air source (test by pressing the purge button)
- Use alternate air source only in emergency.

In order to guarantee availability, we highly recommend to make a booking well in advance.

This is a new situation for all of us, so please be patient if the procedures require more time than usual. If you have any concerns or questions, please do not hesitate to ask.

Your Blue In Maldives Diving & Sailing Team
