Grecotel 2020 Family Style Concept with Various Delicacies - Stay Safe, Stay Healthy & Maintain the Social Distancing

Grecotel Daphnila Bay Dassia

Summer has its flavors.

While our priority is ensuring the hygiene and safety of our guests and team members, observing all the protocols and instructions of the global & European health authorities, our guests will encounter an unforgettable experience to feast with tasty & healthy food & beverage delicacies.

Our Grecotel chefs with their brigades create recipes full of freshness which will bring memories to your palettes. You will try favorite Greek recipes but also classic dishes, evenings with fish, seafood, meat barbeques with all the side dishes & children's options.

Kindly note that our buffet options will be limited, yet rich in freshness & taste.

Grecotel for the summer of 2020 designed for each hotel, a unique dining experience, tailored to the style and uniqueness for every aspect of your stay.
