Alcudia Destination

Alcudia is an ideal destination combining cultural and Sun & Beach Holidays

Alcudia offers several leisure activities such as boat rides, water sports, hiking in the Sierra de Tramontana, golf and cycling routes

The Port of Alcudia, surrounded by fantastic beaches, offers many cultural options.

INNSiDE by Meliá Alcudia

Inside Alcudia is located in the north of Mallorca, between two bays which have some of the most beautiful beaches in the Mediterranean.

The hotel is 150 meters away from the fabulous and well-known Port de Alcudia beach, with fine white sand and crystalline water.

Alcudia – Cycling Destination

Majorca is one of the most popular cycling destinations in the world and cyclists call it the 'cyclist's paradise'.

It's the combination of the local climate with the mild winters, the beautiful and well maintained road network and finally the island's terrain, as it provides different routes to suit everyone's fitness level.

Most popular of all is the Tramuntana mountain range with its scenic routes and amazing climbing.
