Lindos Village Resort & Spa *“Experience”*

Rhodes was a gift to the ancient Greek God of the Sun, who blessed the island with almost limitless sunshine. On one of the most beautiful corners of this island, the tranquil and picturesque Vlycha Bay, Lindos Village Resort & Spa was created to offer an elegant and remarkable accommodation experience. Overlooking the enchanting cove and the eternal sea, this adults-only resort is a haven of relaxation and indulgence, a holiday destination that would please even the most demanding visitor.

This exquisite resort is a tribute to the simple yet elegant island living, particularly in the historic Lindos region, and everything that makes this small slice of heaven so remarkable; the sea, the sun, the brio of its people and their eagerness to share their homeland’s beauty with the rest of the world. Here, the rich colours of the past meet the luminous brightness of the present to form an adventure through time and space, a dance of light, the splashing waves and the echoes of the Gods.

“It’s all about romance”

LINDOS VILLAGE

Description

This legendary luxury resort was designed & built in 1984 by the award-winning Australian architect. Between 2014 - 2017 the resort has undergone a complete renovation based on the initial concept, by the famous Greek architect Dimitris Melenos. It recalls the magnificence of yesterday, with amenities and services customized for today.

This intimate adults-only resort is where tradition and renewal have been skillfully blended, to reflect elegance and hospitality. The resort features panoramic vistas on the Mediterranean Sea. It is truly one of the most romantic spots of Rhodes amid lush gardens.

Lindos Village Resort & Spa cascades along beautiful gardens down to Vlycha Bay, in a series of intimate terraces, shaded by beautiful cypress trees, eucalyptus trees and lemon trees. Spacious and tastefully decorated guest rooms provide exceptional comfort and tranquility, all of which makes Lindos Village Resort & Spa nothing short of a paradise, one of the most peaceful and elegant places of Rhodes.

Location

Lindos Village Resort & Spa is located on a privileged location just above Vlycha Bay, one of the most idyllic and graceful sandy beaches of Rhodes. On the island's eastern coast and conveniently close to the famous traditional village of Lindos, the resort is ideally located for tranquil holidays by the beach yet within a short drive to one of Rhodes' most cosmopolitan spots. Vlycha Bay is a charming cove with shallow, crystal clear waters that deepen smoothly and gradually. The beach itself is a mixture of sand and small pebbles, and it is fully organized, with sunbeds and umbrellas as well as several water sports facilities and snack bars. A private section is allocated for the Lindos Village Resort and its guests, where you will find a sunbed reserved for you under the shimmering sun to enjoy the best moments of the Greek summer.

Distance from
