## Restaurants

### Diabolo Sassy Italian Kitchen

Here Italian cuisine isn't reinvented, because it's naturally good. Everything is fresh and made to order in front of guests: freshly made pasta and pizza steal the show, while wine and vermouth set the stage. The best thing about it is the ambience inspired by Venice and the "commedia dell'arte", both classical and rebellious at the same time.

#### Opening times

\*Summer: 7:00 p.m.–11:00 p.m. Winter: 6:30 p.m.–10:30 p.m.

### Coal Smoked Room

Let yourself be mesmerised by the dancing, hypnotic flames of the grill while you enjoy the best meat dishes by the fire. The menu is simple: meat is the star of the show. The rest of the menu—starters, side dishes and desserts—enhances the experience without stealing the spotlight from the real show, always paired with a good wine.
