## SHISHA - A JOURNEY OF FLAVOURS

Interesting trivia: A hookah (Hindi) or shisha (Arabic) is a single or multi-stemmed (often glass-based) water pipe for smoking. Originally from India hookah has gained immense popularity, especially in the Middle East and is gaining popularity in the USA, Canada, UK and elsewhere. Today, some of the highest quality and most extravagant hookah pipes come from Egypt, Iran and Turkey.

## **MINT**

This is a perfectly balanced medium strong mint flavour. It produces good level of smoke and lasts for a long time.

## **CAPPUCCINO**

Al Fakher Cappuccino is a milky coffee flavour, which is becoming a coffee house staple. It smokes the best in nakhla style.

## **GRAPE**

Grape is really sweet and varies between the brands. Al Fakher Grape tastes like a sweetened Welch's white grape juice.

## **BANANA**

Banana is sweet and unique. Smokes well with Syrian and Egyptian style. Banana mixes best with strawberry as well as with orange.

## **STRAWBERRY**

Strawberry is a great way to get used to the fruit flavor of shisha. It is superb by itself and perfectly mixes with banana, cherry, or mint.

## **APPLE**

Single apple is a standard flavour served at hookah bars and smokes well with all styles.

## **COCKTAIL**

Cocktail Al Fakher Shisha Tobacco serves up a delicious mix of fruit flavours shisha. Unlike an alcohol based cocktail, this hookah tobacco concentrates on sweetness and fruitiness.

## **DOUBLE APPLE**

Double Apple Al Fakher Shisha Tobacco is a stronger flavoured apple. Double and triple apple flavours traditionally concentrate more on the sweet, less on the anise flavours.

## **ARABIAN COFFEE**

Arabian coffee has a pleasant coffee taste that's strong but not overwhelming. It leaves you with a nice smoke cloud and doesn't give you headache afterwards.

## **COCONUT**

Coconut Shisha has a natural cut with longer strips than some of the more modern brands.
