In the Algarve, and for those who enjoy golf, the Pestana Vila Sol is the ideal holiday destination throughout the year. Its golf course, with Donald Steel's signature, is one of the most recognized internationally. This splendid 27-hole course, the academy and the driving range for practitioners of all levels, right next to the hotel and garden rooms, along with the sun and mild temperatures, are all you need for a day of pure happiness and immersion in your passion.

A photograph of a hotel room. On the left, a bed with white linens is partially visible. In the center, a bedside table holds a lamp with a white shade and a decorative base. A large window with white curtains and a red band looks out onto a balcony with a lounge chair and a view of green trees. In the foreground, a red upholstered chair is positioned near a dark wooden desk. The room has a warm, inviting atmosphere with wooden accents and framed artwork on the wall.

Rooms at the Pestana Vila Sol can offer you a comfortable and central stay in the hotel building, or a few quiet days with all the discretion and independence in the villas, the garden rooms.

With wooden high ceilings, premium finishes and complete privacy, it is like staying in your own vacation home with all the comforts of a hotel.

OUT

Vilamoura is the best choice for a tourist destination in the heart of the Algarve Region, especially for golf lovers. The village is highly appreciated for its quality of life and its ecological balance. The village has always maintained a balance with the green areas: large lawns with trees and bushes, creating a scenery of perfect harmony with the infrastructures. It offers pleasant routes for pedestrians and bikers, but golf, water sports and tennis continue to be the most practiced sports.

The lovely beaches, like “Praia da Falésia” are equipped with beach bars offering animation during the day and, on many occasions, also during the night. The famous Marina of Vilamoura welcomes boats from all over the world and is an icon of the region.

A stay in Vilamoura means days of tranquility and living together, ideal for recovering from the daily stress.
