Hotel description

Since its opening in March of 1987, it has enjoyed a remarkable success and popularity amongst the people it has accommodated from both home and abroad. From the first day of operation, the Hotel's policy has been to give the best service possible to prospective guests and keep them returning to our Hotel every year.

Location

The Hotel's location makes it very attractive since distances from desired destinations are minimized. First of all is ideally located in the heart of Larnaca's shopping, commercial, and entertainment center. The exotic palm trees promenade is only a few meters away and the long sandy beach is also in walking distance from the hotel. Also, the Larnaca international airport is only a 10-minute drive away from the hotel while museums, churches and other historical monuments can be visited.
