The Resort has also one Garden Family Bungalow with 2-bedrooms suitable for a Family. Maximum occupancy: 4 adults (however there is possibility of adding an extra bed for a child)

Facilities

- Villas, bungalows and the restaurant are seamlessly integrated into the resort's six hectares of unspoiled tropical landscape
- Our treatment area, offers ocean-side massages, natural facial treatments, body scrubs, pedicure and manicure.
- The Resort also offers Ganbanyoku treatment. The Ganbanyoku experience is chemical free and offers a "green" alternative to detoxifying the body. Yields visible skin improvement, lending one a healthy, robust aura. Beautifies skin giving it a healthy glow. It stimulates the autonomic nervous systems and immune system which activates hormone production
- The resort has its own private boat which will take guests on sea escapes and sunset cruises to nearby places of interest
- We have a 120m long private jetty which you can use as a romantic venue for sunset,

drinks or private dining option. It also provides direct access to swimming and snorkelling at all the time regardless of the tides

- Private yoga classes with a Yoga teacher can be arranged upon guests request
- Free rental bicycles available
- A Ngarawa (local boat) is also available for guests
- Our unique open-air gym is constructed in accordance to nature and specifically designed equipment
- A guest relations attaché is available to help plan day trips and excursions.
