To call another room please dial the room number directly.

Water is a very important and valuable, especially in those unique areas, that's why we kindly ask you to use it wisely.

We would like to propose some actions that may help in reducing water and energy use:

- Towel placed on hanger means it's going to be used again and there's no need of changing it
- Towel left on the floor means it's not in condition to be used again and will be replaced

BEACH TOWELS

Upon arrival you will get the towel cards from the reception and will be replaced with beach towel on the swimming pool area

At the end of the stay should be given back to the reception otherwise will be charged.

MEDICAL SERVICE (EXTRA CHARGE)

The doctor is located in the Medical Center
In case of emergency please contact the Reception
