Welcome

Moja Tuu - The Only One

Perched above the Indian Ocean and fringed by a forest reserve, we capture all of Zanzibar's natural beauty.

Moja Tuu, Swahili for 'The Only One', is a privately owned, personal project designed for generous levels of space and seclusion, matching a genuine sense of local lifestyle with subtle luxury. When you stay with us you are enveloped in a cloud of purity, living to the rhythm of sunrise, sea and the sway of the trees. Moja Tuu gives you a place to breathe, Ah Zanzibah!

Location

Roho – Soul

Moja Tuu is in the north eastern part of Zanzibar Island, a 45 minute ride from the airport yet miles away from the rest of the world. Here you are immersed in tropical sights and sounds, lapping waves, trees laden with exotic fruit, forest teeming with butterflies and bush babies. We offer you the soul of Zanzibar, ensconced between pristine Indian Ocean shoreline and 27 acres of Kiwengwa Forest, Moja Tuu is the 'The Only One'.

Villas and Garden Rooms

Siri – Secret

We created Moja Tuu for guests who especially value their privacy beginning with our in-villa check-in service. Villas and rooms are extremely spacious, from 80 to 160sqm, with upto 4 ensuite bedrooms. Ocean Villas have spectacular 9 by 4 metre infinity pools spilling into the sea and all guests can hide away on secluded rooftops and garden terraces.

Subtle luxury is infused with Zanzibar craftsmanship, barazza seats shaded in bougainvillea, intricate vidaka plasterwork and saruji stone round beds. Views capture all the refreshing beauty of ocean and forest, giving you space to breathe

Leisure facilities

Pole pole – Slowly slowly

There is plenty to do but no rush when you can slip into the pool or relax on our shores and play Bao, the local board game. We bring Zanzibar culture to you, with Swahili music, dancing, language and cooking classes. There are bicycles to ride to Kiwengwa fishing village and a boutique with sustainable artworks by local avant-garde talents. We stage a 'Cinema Paradiso' beneath Zanzibar stars accompanied by the sounds of our forest reserve, a magic place for a mini walking safari or spice trail. For young families we have created the terrific Rafiki Kids Club.

Excursions

Nzuri – Beautiful

Zanzibar conjures up exotic dreams of Arabian nights and African Tribes, at Moja Tuu we reveal the true character of this beautiful island. Stone Town, a Unesco World Heritage site, is a labyrinth of lanes and minarets, with colourful markets. You can watch for dolphins in the south, stroll with giant tortoises on Prison Island and visit the enchanting Red Colobus Monkeys in Jozani forest. Take a spice tour to pick clusters of peppercorns, peel cinnamon bark and taste natural nutmeg. The sea offers plenty of activity, diving, deep sea fishing, and kite surfing is excellent.

Dining

Ni tamu – It's delicious

Stroll along our promenade and step into any of our restaurants, all share the fabulous ocean views, each has its distinctive atmosphere and cuisine. Chefs are magicians with local spices, and search out the freshest produce from land and sea. They create favourites from India, Africa, the Orient and Italy, while Blue Bahari is our all day dining restaurant with a spectacular open terrace.

For aperitifs and late nights with music there is laid-back La La Bar. Private dinners, rooftop barbecues and safari picnics are our specialty.

Spa

Hsia - Sense

Moja Tuu is a place to still your mind and breathe. Our spa therapists are highly professional and intuitive, they will help you recapture that elusive balance. All our treatments are entirely flexible and personalised, with therapies inspired by local traditions such as our African Journey with Zanzibar warm herbal oils or African rain foot massage. The spa also offers beauty treatments with manicures and pedicures.

Events

Pamoja -Together

Zanzibar events infused with local culture and arranged to the highest international standards, romantic for couples, energising for business gatherings, Moja Tuu is 'The Only One'. We have flexible venues, each of our restaurants can be privatised for parties, or transformed into seaview presentation rooms, seating 50 delegates. Dining can be anything you desire, rooftop barbecues, torchlit beach parties or safari style picnics in the forest reserve. Weddings or vow renewals on our terraces have 180 degree views of a sunlit ocean, and can be under a veil of stars in the African night sky.
