

# THE SUNSEABAR BEACH HOTEL KENDWA ZANZIBAR

## GENERAL DESCRIPTION

### Introduction

**THE SUNSEABAR BEACH HOTEL** is located in a magnificent Indian ocean beach in setting in the heart of Kendwa . It is an luxury hotel.

**The Hotel** sets itself apart from accepted convention, pays incomparable attention to details and personal service and takes up the challenge of setting new standards in the Kendwa Zanzibar hotel trade. It offers far more than just a place to sleep - it is the truly modern hotel in Kendwa Zanzibar. It redefines the hotel experience for the new century.

### Core idea

It combines spirituality with elegance and timeless design. This is not merely a matter of decor but of lifestyle and the feeling of a momentous experience. **The SUNSEABAR BEACH HOTEL** describes a new way of communicating with people and makes its own statement about tomorrow's world. Guests at **SUNSEABAR BEACH HOTEL** will know exactly where they are. They will experience something that is impossible at home and be inspired by it.

The demand of design hotels that are based on their differences and not on their homogeneity are definitely the trend and this trend will increase even more in the next 25 years. As hotel which can offer its guests a unique experience with a very high level of service and comfort, **SUNSEABAR BEACH HOTEL** will set new standards for the future-oriented Zanzibar hospitality.

This dream like hotel was created for the new hotel guest in the communication era. For international and well-travelled people who base their decisions on lifestyle criteria rather than on financial considerations.

The **SUNSEABAR BEACH HOTEL** offers an exotic gastronomy experience set in a fascinating, ROOF TOP restaurant facing the best ocean in Zanzibar

The terrace of the **hotel** affords a breath taking view over the roof tops of Kendwa beach generously dimensioned lounges are an invitation to linger and, on fine evenings, the starry sky can be admired through the glass roof.

# T H E R O O M S

## General

Consciously understated corridors awaken boundless curiosity. The different ceiling designs are stunning and give free rein to the imagination. Large windows in each room open up the beach side of fresh wind .

## Ceiling designs

Viewed from the outside at night, the discreetly illuminated ceiling photos enhance the hotel's façade with a mosaic of colours and a fascinating light show.

## Decoration/furnishings

The interior decoration was also designed a conscious effort was made not to buy off the peg furniture. **Desks, beds, night tables, armchairs, dining chairs,** . A fascinating interplay of nature and technology

## Bathrooms

Sexy and cool prevails, from the lighting and bathtub to the mirrors above the square wash-basins to the clear view of one's own personal patio garden.

## T H E L O U N G E

If the bedroom is the heart of the hotel, then the bar is its soul. For travellers, it can serve as an adjustment zone - a space between the sanctuary of the hotel room and exposure to the outside world.

The social nerve centre of the hotel is a place for enjoyment and relaxation, either in arm-chairs or at the bar, sipping cocktails, chatting and watching the world go by. For locals, it is the ideal place to leave everyday worries behind.

## **Interior design**

Not just a gourmet's delight, this restaurant is also a visual feast. The roof top restaurant has a wealth of stunning view from the top of the hotel.
