LOCATION & ACCESS

The Zanzibari is located in Nungwi on the North Eastern tip of Zanzibar. Getting to The Zanzibari takes one hour from Zanzibar Airport and the road is tarmac for the majority of the journey. We can provide transport to and from the airport.

HOTEL DESCRIPTION

The Zanzibari is a perfect hotel for relaxation after your safari through the Tanzania circuits, or if you want a pure beach holiday. We focus on guests privacy and high class hospitality.

The hotel is situated at the North-Eastern side of Nungwi, Zanzibar, about a 10 minute walking distance from bustling Nungwi town. The setting of the hotel is widely spread for privacy and for the feeling you are the only guests. It's an Oasis a bit off the beaten track of Nungwis mass tourism.

The Ocean is coral flat with stone. There is a sand beach about a 5 minutes' walk from the hotel. We have great natural pools where you can lie down and watch the beauty of the ocean's colours and dhows sailing out at the evening time.

The staff is extremely kind, helpful, and courteous. Anything you desire they will do their best to arrange. Food is delicious and portions just perfect, daily choice of seafood, meat, chicken, and a vegetarian option for dinner.

Rooms are spacious, each with own bathroom with showers, beds are very comfortable and the bathrooms fully functional. The restaurant and the suites are furnished with dhow furniture, a unique furniture upcycled from old wooden boats (www.dhowfurniture.com)

The Zanzibari understand the importance of protecting the environment and supporting local businesses. Our long term goal is to become completely self sufficient by utilizing renewable resources and sourcing food from the local area.

UNIQUE SELLING POINT

Set above the beach on a low coral cliff with easy access to

the sea, you are offered privacy, peace and tranquility while taking in the stunning views of the Indian Ocean, far off the bustling Nungwi Center with its many hotels.

We strive to offer our guests an oasis from the stresses and strains of daily life and unlike some of the larger Zanzibar hotels, we focus on providing an intimate, tranquil and private atmosphere with the added personal touch that will ease you into relaxation.

To ensure we keep to our goal of providing privacy and exclusivity, The Zanzibari offers just 8 standard rooms in Bougainvillea House, 2 Frangipane Villas, the Bustani (Swahili for "garden") Suite, and 3 love shacks, beach bungalows direct on the beach with magnificent sea view directly from the room, all with en-suite, ensuring that the hotel never feels crowded.

ACCOMODATION

Only 14 rooms nestled in the big tropical gardens with breathtaking views over the Indian Ocean and tropical garden, ensuring plenty of space for our guests, intimacy and privacy. In our [garden and sea view rooms](#) we can accommodate each 2 guests, our [Frangipani Villas](#) (seafont villas with private plunge pool and beach) with a spacious beach veranda and private rock pool can take up to 5 guests, and our [love shacks](#) can accommodate 3 guests. WINING & DINING

There are two dining areas at The Zanzibari. The Pool Bar area provides an inspiring setting for our snack lunch or dinner whilst our Main Restaurant provides a much more romantic and atmospheric setting for the evening meal. We're passionate about food and uncompromising about the quality of our ingredients. Our policy is to source locally wherever possible, buying fish and seafood straight off our beach, picking fruit and vegetables from our own organic gardens and visiting the colourful local markets to support the community. Our food draws its influences from the exotic flavours of East African cooking as well as the simple fresh flavours of the Mediterranean.

HOTEL GRADING

We are officially a boutique hotel and will never be a 5* resort because to be so would compromise our values. For this reason, we offer simple but authentic and sustainable luxury. However, we believe this makes our kind of luxury all the more magnificent.
