## WONDERS

*The heart of a 1000 stories*

**Sharazād Wonders Boutique Hotel is open since September 2022 and is located right in the historical center of Stone Town - Zanzibar.**

With this new addition to our Sharazād Boutique Hotels Group family, we can now offer our guests a variety of accommodation & experience comfortably distributed between all the proprieties: two hectares of green garden & 230 mt of beachfront on the South East Coast of Zanzibar and the Beautiful Courtyard Historical Building, hidden in the center of the Antique Stone Town.

Reconnection takes on a new meaning in a place where nature, art, and ancestral wisdom coexist. Those sanctuary retreat hotels welcome all who wish to find peace in a space blessed by true African charm.

Adding our Sharazād Wellness & Holistic Facilities was a natural continuation which we hope our guests will enjoy.

We offer tailoring experience to discover the ancient town of stones.
